

better Together
Because You're Not Meant to Mom Alone

IT'S (NOT) THE THOUGHT THAT COUNTS

The next time you interact with a young mom
and think, "She's a good mom!"

TELL HER.

The next time you are baking cookies and think
"I should double this recipe and take some to the neighbors,"

GO FOR IT.

The next time you can't get an old friend off your mind

LET HER KNOW.

The next time you see someone with fabulous hair

BE BOLD AND TELL HER.

The next time a friend going through a
difficult time comes to mind

PRAY FOR HER AND LET HER KNOW.

The next time you think "I would love to do coffee with her"

TEXT HER AND MAKE A DATE.
